

# IJGA INTERNATIONAL JUNIOR GOLF ACADEMY

## HIMALAYAS CHALLENGE

Modeled after the famous putting course alongside the Old Course at St. Andrews, on-site at IJGA's Old Carolina campus.

## PAR-3 CHALLENGE

Students sharpen their short irons and short game. The on-campus course can be played in the reverse direction for an added challenge.

## PINECREST DRIVING RANGE

The newly expanded driving range and short game area at nearby Pinecrest Golf Club provides ample room for players.

## SWING CATALYST 3D MOTION PLATE & STUDIO

Only one of two junior golf academies in the world to house the state-of-the-art swing analysis system in the Performance Training Center.

## INDOOR HITTING BAYS

No matter the weather, students are able to use the indoor hitting bays with advanced technology such as Trackman, K-Vest and BodiTrack.

## INDOOR SHORT GAME PRACTICE FACILITY

Students are able to practice chipping and putting within the Performance Training Center — using the 18-hole course, SAM PuttLab System and pitching targets.

## IJGA PERFORMANCE FITNESS CENTER

Free weights, ropes, cardio, rowing and stretching equipment provide ideal golf conditioning to keep student-athletes in shape and flexible.

## ACADEMIC RESOURCE CENTER & TUTORS

Students have access to a private room to study, take ESL and SAT prep classes and receive assistance from tutors to give them the competitive edge for college placement and scholarship opportunities.
