

INTERNATIONAL JUNIOR GOLF ACADEMY

## Developing Juniors in Competition and Life

The International Junior Golf Academy (IJGA) is the premier destination for middle and high school golfers as well as graduates seeking a competitive advantage amongst their peers. IJGA's unique programs deliver customized golf training, tour competition, performance training, character building and an elite college preparatory education – in a close, family environment.

Since 1995, IJGA has achieved nearly 100% college placement and graduates have earned over \$52 million in college golf scholarships. IJGA continues to develop the character and skill of junior golfers, while helping them achieve their goals.

Junior golf training programs at IJGA focus on both athletic and individual development. IJGA Director of Golf Jonathan Yarwood has brought his fact based training program with years of successful transformations to the academy.

# INTERNATIONAL JUNIOR GOLF ACADEMY

## ACADEMIC SUCCESS

Serving local, national and international students grades 7 - 12, Heritage Academy and Hilton Head Prep are highly accredited college preparatory institutions for IJGA students. Heritage Academy and Hilton Head Prep help young athletes learn important scholastic skills in an environment designed to accommodate and complement their training and competition.

## INDIVIDUAL DEVELOPMENT

Every IJGA camp and academy athlete will experience programs to complement individual goals and aspirations. We've proven many times over that if you combine the right technical, tactical, mental and physical training, and competition through proper tournament scheduling, you can accomplish truly amazing things.

## GOLF TRAINING

We are a developmental golf academy. Our students train to what will be required of them in collegiate or professional golf. We encourage our student athletes to begin in their freshman or sophomore year of high school to achieve collegiate goals. Student athletes sign a personal commitment contract of goals we help to establish.

### The Academy Program

The ultimate training ground for junior golfers. Our students train to what will be required of them in collegiate or professional golf. They attend Heritage Academy or Hilton Head Prep, the highly accredited college preparatory schools. Besides golf training and academics, IJGA Athletic & Individual Development is dedicated to developing the complete student-athlete.

### Winter Camp

Gain a competitive edge by training over the winter in preparation for the upcoming spring tournament season. IJGA offers indoor and outdoor training facilities, state-of-the-art training technology, world-class coaches – all to help you improve your game. The IJGA Winter Camp allows attendees to practice in the same facilities as Academy students and receive the same training that has placed IJGA at the forefront of competitive golf players.

### Summer Golf Camps

Built around you, Summer Camp at IJGA provides junior golfers with a plan and strategy to get better. IJGA Campers receive fitness, mental, and technical training techniques they can take home with them to continue improving their individual game. Following an assessment day, campers will work closely with IJGA's highly skilled and experienced coaching team to develop the tools they need to follow their training plan. Train for one week, multiple weeks or the entire 9-week session.

### Post Grad/Gap Year

It's not taking a year off. It's adding a year to your future. IJGA Post Grad is for high school graduates seeking to optimize golf, academic and leadership abilities.

### Custom Training

IJGA develops individual programs for individual golfers. We prepare you for anything.
