

## **POST-GRADUATE PROGRAM** Intensive training for scholastic achievement

The IJGA Post-Graduate Program offers an exciting opportunity to develop golf skills and gain confidence and maturity to become more competitive in the college admissions process.

Colleges fully recognize the value of students enrolling after a Post-Grad experience. Coaches appreciate that athletes from Post-Grad programs enroll with four full years of eligibility remaining – unlike athletes who have competed at the junior college level.

Parents, rest assured that the Post-Grad experience will help your sons and daughters acclimate to college so much better. These combined elements lay a strong foundation for ensuring long-term collegiate success.

## The IJGA Post Graduate Program offers:

- Intense golf training with IJGA's world-class coaches
- Mental training and physical conditioning tailored to the individual
- Competitions scheduled in appropriate proportion to training
- Academic training solutions
- College Placement Program

Enrolling in a Post-Grad experience is not taking a year off; it's adding a year to your future. Attending an elite golf prep school, like IJGA, is one of the most powerful things that could be done to prepare for college.
