

INTERNATIONAL JUNIOR GOLF ACADEMY

IJGA PROGRAMS

Training ground for the world's top performers

At IJGA we believe in developing the whole person – the athlete, the student and the young adult. Emphasizing both intensive training and scholastic achievement through the nationally accredited Heritage Academy and Hilton Head Preparatory, IJGA has produced some of the best junior golfers playing on the most elite junior golf tours. As a result, nearly all of our students receive college scholarships to the top collegiate golf programs in the United States.

JUNIOR ACADEMY

The International Junior Golf Academy is a place where junior golfers can live the dream of combining their passion for golf with a top-tier education. IJGA offers nine months of combined school and training for junior golfers ready to reach the next level.

POST-GRADUATE PROGRAM

The IJGA Post-Graduate Program offers an exciting opportunity to develop golf skills and gain confidence and maturity to become more competitive in the college admissions process.

SUMMER CAMP

Summer Camp offers junior golfers one week, multi-weeks or the entire summer to train alongside our team of expert coaches and performance specialists.

LIFESTYLE PROGRAM

The Lifestyle Program allows students to pursue multiple sports by professional coaches skilled in developing junior athletes.
